

Bensaada's writing is unusually clear and concise. Thus I highly recommend the book, even where readers have only limited knowledge of French. More than half the reference links are to English sites. That alone, in my opinion, is more than worth \$11.08 for a print copy .

Dr Stuart Jeanne Bramhall

In tracking down sources for an upcoming presentation on the antiglobalization movement, I have come across a little gem called *Arabesque Americaine* by French Canadian author Ahmed Bensaada. The full title *is*
Arabesque Americaine: Le role des Etats-Unis dans les revoltes de la rue arabe
-- translated
American Arabesque: the Role of the US in the Revolts in the Arab Streets
.
